Qur'an Translation Quiz

In an effort to promote and inspire the recitation of the Holy Qur'an, along with translation, in our community, Zainabia Islamic Education Center and Imam Ali Center have joined hands in a monthly quiz program that will focus on chapters in the Holy Qur'an. Starting in Rabi-ul-Awwal, the centers will hold these quiz competitions on back-to-back weekends every month.

RULES:

- The specific chapter (Surah) or number of verses in a particular chapter (in case of more than 25 verses) will be announced in advance via email communication.
- Participants can pick the English

translation of their choice for preparation.

- There will be 25 questions in each quiz. The questions will focus on the main message of the chapter; however, a few questions covering general information about the Surah may be included.
- Prizes will be awarded to the top three scorers in each quiz.

Given below is the tentative schedule for the four upcoming quiz events. Firm dates will be announced about two weeks before the competition.
